

HealthQuest Mobile Mammography Screenings September 2011

St. Joseph's/Candler is making getting a mammogram more convenient. The Mobile Mammogram Unit offers technologically advanced digital mammography, and was designed to assist women in overcoming transportation and/or access barriers to screening.
We bill most insurance plans, Medicare, and Medicaid

Appointments are required and may be made by calling 819-6800.

For non appointment-related information about Mobile Mammography, or to inquire about hosting the Mobile Unit at your workplace, church group, or organization, please call 354-9357.
