WSAV – HOLIDAY HOPE
1430 East Victory Dr.
Savannah, GA 31404

Dear Friends,

Once again The Salvation Army is privileged to partner with WSAV in the Holiday Hope Program. It is through generous partnerships like this that The Salvation Army is able to provide for those who are less fortunate in our community. Many people are facing rough economic times this year and are seeking help from The Salvation Army and your help is needed more than ever!

It is with your help that The Salvation Army continues “Doing The Most Good” for people in our community who are truly in need. You can be part of an “Army” that makes a difference by donating new toys to the Holiday Hope Program or donating at one of the Red Kettles in our community.

Thanks to help from the Holiday Hope Program last year, we assisted over 2,013 families during Christmas. We distributed 18,864 toys to children, 4,900 gifts to nursing homes, shut-ins, and correctional institutions for a total of 11,782 individuals served.

On behalf of those we serve, “Thank You Savannah” for your continued commitment to the Holiday Hope Program and The Salvation Army.

May God richly bless you this Christmas Season.

Sincerely,

Captain Marion Platt, III
Corps Officer- Savannah
